## **PROCESSIONAL CROSS**

You may have noticed that we did not have our wooden processional cross for a few months and then magically it appeared in time for Christmas. The cross had been damaged several times over the years but fell down in summer causing the figure of Christ to be in bad shape. We heard of someone who repairs statues and is a parishioner at Venerable Bede parish in Holland, PA. His name is Ed Rogowski. Ed kindly came to our parish, and took the cross back with him to repair. It took several months but when he brought it back to us in December, it was beautiful. He had re-carved the lower part of the arms since they were broken, and polished up the whole cross. He said it was an honor to work on such a beautiful cross. So when you see the altar servers carrying the cross up the aisle, please take notice of its new brilliance.

Hemos oido de alguien que repara estatuas y es de la parroquia de San Beda Venerable en Holland, PA. Su nombre es Ed Rogolowski. Ed amablemente vino a nuestra parroquia y tomó la Cruz para reparar. Se tardó varios meses, pero cuando él lo trajo a nosotros en Diciembre, fue hermoso. Él había tallado la parte inferior de los brazos que estaban en mal estado y brillo la Cruz entera. Así que cuando veas los monaguillos con la Cruz por la nave, por favor tomen nota de su nuevo brillo.**
